(Sandy Lane Estate, Barbados) July 28, 2025: [Laughing Waters](#), the largest and most prestigious private estate in Barbados, is proud to introduce its *Signature Escape Weeks*, a newly curated offering that extends exclusive access to the villa’s grandeur for smaller, discerning groups.

Long known as a destination reserved for heads of state, discerning guests and global tastemakers seeking the ultimate island getaway, Laughing Waters has, until now, been offered solely as a full 12-bedroom estate experience, with rates starting at \$17,500 per night. In response to a growing desire for deeply personal yet expansive retreats, the estate will now be available for select weeks in 2025 and 2026 at a new tiered rate structure, beginning at \$13,000 per night plus taxes and fees for use of eight bedrooms.

Signature Escape Weeks invite guests to experience the full majesty of the estate’s three acres of tropical gardens, a members-only beach club, an 18,000-square-foot main residence, private gym, cinema, formal dining spaces, and striking art deco bar now tailored to intimate groups from two to 16 guests. The estate remains fully staffed and meticulously serviced to its uncompromising standards. Sitting on a four-acre estate, Laughing Waters offers travelers a sanctuary of sophistication paired with elite resort amenities. As the only private villa in Barbados with exclusive access to the nearby AAA Five Diamond resort and entry to a members-only beach club, Laughing Waters ensures an unparalleled combination of villa seclusion and resort-style luxury.

“Laughing Waters has always been about legacy-level luxury,” says Estate Manager Laura Seymour. “What’s changing is who gets to write their story here. Whether it’s a honeymoon couple seeking absolute privacy, a family of six celebrating a milestone, or an executive team retreating in style, this is about offering our world-class estate to smaller groups without compromising a single detail.”

Laughing Waters will offer a limited number of *Signature Escape Weeks* throughout the year. Each week will be pre-selected based on availability and presented as a rare window of access for those seeking an extraordinary escape, absent the need for a full-house booking. Current 2025 dates include select weeks between August-December 15th and guests can inquire for 2026 dates.

These weeks are ideal for:

- Romantic Hideaways – Where honeymooners enjoy champagne breakfasts by the sea and spa treatments in the villa’s private garden.
- Family Sanctuaries – With kid-friendly amenities, private chefs, and safe grounds to explore.
- Executive Retreats – Merging business and leisure in unparalleled comfort, with private concierge support and bespoke itineraries.

Guests may also choose to enhance their stay with curated experiences including catamaran sails, on-island rum tastings, coral reef snorkeling, or private culinary events hosted by top Barbadian chefs. Other popular activities include yachting, deep-sea fishing, shipwreck diving, horse racing, polo, cricket, and kite surfing on the southern coast.

Bookings for *Signature Escape Weeks* are now open by direct inquiry only. Interested parties are encouraged to contact the reservations team at +1 246 623 1200 or info@laughingwaters.bb.
